

Drowning in Oil: BP the Reckless Pursuit of Profit (Hardback)

By Loren C. Steffy

McGraw-Hill Education - Europe, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book. The definitive in-depth account of the most devastating in a long line of BP accidents; the catastrophic oil spill in the Gulf of Mexico Award-winning Houston Chronicle journalist Loren Steffy delivers an authoritative and hard-hitting account of the Deepwater Horizon disaster that uncovers disturbing patterns and a troubled corporate culture at BP. Written by the reporter widely considered to be the closest to BP and the gulf oil spill, Drowning in Oil combines years of expertise, research and new interviews to provide a behind-the-scenes look at BP's long history of putting profits ahead of safety. Loren Steffy puts a human face to the story, introducing readers to the workers and families tragically affected by these series of accidents at BP. He also explores the impact its recent mistakes will have on global energy markets and questions whether new CEO Bob Dudley can really change BP's culture. Featuring exclusive interviews with BP executives and employees, environmental experts, and oil industry insiders, this book takes readers behind the scenes to reveal in unprecedented detail BP's win-at-all-costs corporate culture. Steffy covers 100 years...

Reviews

Absolutely among the finest book We have at any time read through. We have read through and that i am sure that i will going to read once more again later on. I found out this book from my i and dad suggested this book to find out.

-- Alford McClure

I actually started reading this article ebook. It is actually packed with knowledge and wisdom Its been printed in an remarkably simple way and it is only after i finished reading this pdf where in fact modified me, alter the way i believe.
