FROM STAGE TO SCREEN

To download **From Stage to Screen** eBook, please refer to the web link under and save the ebook or have accessibility to other information that are relevant to FROM STAGE TO SCREEN ebook.

Bloomsbury Academic Nov 2014, 2014. Taschenbuch. Condition: Neu. Neuware - The camera enables us to see right into a character's soul, revealing his or her innermost thoughts and emotions. Screen acting requires a more rigorously truthful and spontaneous performance than the stage, as well as very different technical expertise. From Stage to Screen is a handbook for the professional actor packed with advice on how to make the transition and fully prepare for a TV or film role. The book is divided into three sections: the first examines the relationship between the actor and the camera and how it differs from that of a performer with a stage audience; the second addresses the technical skills the screen actor needs in order to work as part of a large collaborative team and 'make the shot work'; and the third explores the very different experience of an actor working on a screen project, including getting the job, how to prepare properly, what to expect and how to manage the whole process, from casting through to ADR, in order to deliver the very best work. 224 pp. Englisch.
