Writing without Hurry is a how-to, self-help book for the serious journaler and anyone interested in growth and personal transformation. Effective journal writing is a meditation and a way to understand your own psychology. It is learning to reflect on your own situation and to make sense of the things that trouble you, and it is a way to find solutions for the serious problems you face. A step-by-step method of inquiry is presented which leads you to important insights and practical ideas for improving the quality of your life. You will learn the specific style of writing and recommended format for journal entries guaranteed to lead to growth and personal change, and you will learn ways to slow down your writing so that you learn to write...
