

## Shine: Winning at Work (Paperback)

By Shirley Peddy Phd

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Whether you are a new employee or you have been at work for years, if you want greater satisfaction and more rewards from your job, the good news is it s not about working harder, but rather changing the way you think about work. This is your guide to the unspoken rules and the secrets that will make you shine in any organization: business, charity, medical, or educational. The author, Shirley Peddy, incorporates the universal secrets that helped her develop her career, increase her starting salary as a forty-year old temporary employee writing training modules for a major corporation, by a factor of eight, and receive numerous promotions in the process. The secrets and rules are revealed through the story of Rachel Hanson, a four year employee about to quit her job, and her encounter with the man who helped recruit her. Jack convinces Rachel to stay for six months by promising to reveal the truth about winning at work. He invites Rachel to read a parable he is writing about Keli, a young tribesman in the rain forest...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
