Brand New Book ***** Print on Demand *****.Excerpt from First Report of the Wellcome Research Laboratories at the Gordon Memorial College Khartoum The Research Laboratories of the Gordon College, the equipment of which formed the generous gift of Mr. Henry S. Wellcome to the Sudan Government, are intended to serve the following purposes: - a. To promote technical education. b. To promote the study, bacteriologically and physiologically, of tropical disorders, especially the infective diseases of both man and beast peculiar to the Sudan, and to render assistance to the officers of health, and to the clinics of the civil and military hospitals. c. To aid experimental investigations in poisoning cases by the detection and experimental determination of toxic agents, particularly the obscure potent substances employed by the natives. d. To carry out such chemical and bacteriological tests in connection with water, food stuffs, and health and sanitary matters as may be found desirable. e. To undertake the testing and assaying of agricultural, mineral and other substances of practical interest in the industrial development of the Sudan. The following report, embracing the period between Feb. 1st, 1903, and Feb. 1st, 1904, will indicate in what measure and with what success the laboratories have been concerned with these divers subjects during the first few months of their existence, and it may be said at once that practically every branch of them has claimed attention to a greater or less extent. Having been appointed Director, and having spent some time in London discussing matters with Mr. Wellcome, and inspecting the equipment provided, which was in every way excellent, I finally arrived in Cairo on Dec. 24th, 1902, where acting on advice received from Mr. Currie, Director of...
