### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.*

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, Green Guide to Trees of Britain and Europe, J. R. Press, Bob Press, Colin Emberson, Aimed at both the general reader and amateur naturalist, Green Guide Trees offers a wealth of information on observing and identifying 150 of the most commonly encountered tree species in Britain and Europe. Each tree is described in detail with information on height, shape, and important features such as foliage and fruit, and is illustrated with beautifully detailed, full colour painting. The introduction contains information on characteristics to help distinguish one family group of trees from another, and there are also keys which provide step-by-step clues to aid identification. Informative and compact, this book is ideal for both home reference and as a pocket companion in the field.
