Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Besides strengthening fine motor skills and aiding in connecting images to text, drawing is a young child s way of processing and expressing understanding from literature. [MOMMA MAY I GO OUT TO PLAY? A Young Child s Early Introduction to Illustrating] offers the young child risk-free opportunities to express and to expand their understanding of this relatable and yet comical story. It gives the child opportunities to anticipate and problem-solve by responding to prompts and, of course, by drawing. Most of all, this book will help develop confidence by producing a hands-on project which parallels with the story. Imagine a child waving a book clearly identifying the illustrator as him/herself!.
