Lulu.com, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.A journey into the past uncovers who the shadowy figure is that stands before me. Why is he here? And who was I back then? Edith was just an ordinary girl. She never felt that she had any special qualities about her as she grew up. She was an only child and felt very alone, and was only at her happiest on Sunday when she wore her little yellow dress. Love was something that had always been in her heart and she was a kind and caring girl, but nobody had ever shown her any, except for her teacher, Mrs Forbes. That was all about to change when a chance meeting with a painter in England and an offer to assist a frail Sergeant Major in a hospital in France came her way. Their fated lives became joined together and among all the pain and horror of the war, two very different types of love emerge. This story tells the tale of their relationships, their love for one another, and a bond that lives on in the past and present.
