

If You re So Smart, How Come You Can t Spell Mississippi (Hardback)

Filesize: 7.76 MB

Reviews

Extensive manual for publication fans. I have read through and so i am sure that i am going to going to read once again yet again in the future. I am pleased to let you know that this is actually the best pdf i actually have read through inside my very own existence and may be he very best publication for ever.

(Mrs. Trinity Boyer)

IF YOU RE SO SMART, HOW COME YOU CAN T SPELL MISSISSIPPI (HARDBACK)**DOWNLOAD**

Sourcebooks, Inc, United States, 2018. Hardback. Condition: New. Mike Gordon, Carl Gordon (illustrator). Language: English . Brand New Book. The Adventures of Everyday Geniuses is meant to demonstrate various forms of learning, creativity, and intelligence. Each book introduces a realistic example of triumph over difficulty in a positive, humorous way that readers of all ages will enjoy! Katie always thought her dad was smart--he is one of the busiest attorneys in town! People are always asking him for advice. She has been a bit confused ever since asking him for help with her weekly spelling list. How can her very smart dad struggle with one of her spelling words? This definitely didn t make sense. The word Mississippi has changed everything. This frank and thoughtful approach to dyslexia is an important exploration of the various ways people learn and that some difficulties do not have to be restrictions on what a person can achieve. Challenges in reading and spelling are often accompanied by special abilities in areas like complex pattern recognition and spatial reasoning. If You re So Smart How Come You Can t Spell Mississippi? is a fantastic way of bringing this information to the many smart children who find reading and spelling especially difficult--especially to those who are beginning to doubt their own potential. --Drs. Brock (M.D., M.A.) and Fernette (M.D.) Eides, authors of The Mislabeled Child and founders of the Eide Neurolearning Clinic. Praise for the series: This is a wonderful book series. Each story shows children that success is about effort and determination, that problems need not derail them, and that adults can understand their worries and struggles. My research demonstrates that these lessons are essential for children. --Dr. Carol S. Dweck.
