OPEN HANDS OPEN EYES FULLNESS OF HEART WITH GRACE: VISIO DIVINA PRAYER (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Why Visio Divina? A divine or sacred seeing method of prayer. It takes four ancient principles of Lectio Divina but it brings into visuals as an alternative meditative method to pray. The photography is original work placed in a collage form with a bible verse in a word cloud to the left. If you wish at some point to read the bible verse, it can be found in the bible from the word cloud as Name of book, Chapter number (John1) with a free floating number (5) as the verse number. This book is meant to jump start your meditative prayer with pictures of open hands holding an image, (giving and receiving), open eyes to meditate on the picture collage and a word selected from the cloud to the left (if you wish). There is open space around the artwork for you own notes/personal reflection. The images are meant to be used in any order you wish. There are enough reflective pieces for 30 days and they can be used over and over for as many times as you wish. Each time the photographic collages and word clouds appear and speak to you differently. Visio Divina is built upon the same principles as Lectio Divina; slow, careful pictorial interaction with scripture through meditation and prayer. The photography is meant as a focal point/grouping. The word clouds were produced from scripture selections intended to evoke a word from a scripture verse closely partnering with the pictorial images. How do you use Visio Divina? Pick a photographic collage from one of the pages in Open Hands, Open Eyes, Fullness of Heart with Graces. 1. Look at the picture. Pick out the...
