SILENT RAGE (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.It was a loud, chaotic send-off. As Mac and Marisa climbed into their deck-out car, the crowd bid them good-bye as the newlywed couple pulled off and left the reception hall en route to their honeymoon. As they drove down the road, Marisa pondered the last several years of her life: having joined Move N Groove with Darnell after they were fresh out of broadcasting school, being promoted to manage a dance team, and then her unfortunate accident and roller coaster life adjustment. The more she thought about it, the more she felt her life had a mysteriously divine purpose and a little more meaning. Now that Move N Groove and Signs of X-pression were merged into one entertainment agency and she was professionally and personally committed to the love of her life, Marisa knew for sure that everything would be all right this time. Snuggling up to her new husband, Marisa let out a contented sigh and drifted off to sleep, lulled by sound of the beer cans clanking, rattling from the rear of the car as they continued driving late into the night.
