Pages Number: 89 Publisher: Foreign Language Teaching and Research Press Pub. Date :2006-8-1. Manual is a formative evaluation of students is an important part of the same themes and materials used modular design. each module covers listening, speaking, reading and writing language skills and knowledge of the language learning, and teaching simultaneously. This manual has the following main features: First, to promote assessment in school, leave school assessment concept. Student self-evaluation process is not only examine their own learning process, completion of the evaluation tasks, exercises and activities in the process, it is also a learning process, which requires the evaluation task is that students are familiar with, has a certain authenticity of language activities. Second, the evaluation of targeted, reflecting the formative evaluation of student development. Each module has a prior evaluation of the overall goal of this module, and teaching objectives. Set this column aims to train students to study and evaluate the awareness of the destination, while allowing students to identify problems in the evaluation process, to correct the problem. Third, the prominent task-based evaluation design philosophy....

Reviews

I actually started looking over this publication. It really is rally interesting through studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).
