Reviews

This pdf will not be simple to start on reading through but extremely enjoyable to see. I have read and i also am sure that i will planning to read through again once more in the foreseeable future. You wont really feel monotony at whenever you want of the time (that's what catalogues are for relating to if you request me).

Music Mentor Books. Paperback. Book Condition: new. BRAND NEW, Brook Benton: There Goes That Song Again, Herwig Gradischnig, Hans Maitner, Brook Benton was a magnificent singer who could handle anything from blues, jazz and soul to country, pop and standards. His version of Tony Joe White's 'Rainy Night in Georgia' -- an international smash in 1970 -- remains a timeless classic. The biography by Herwig Gradischnig is based on an album of newspaper cuttings personally compiled by Benton. These contain his views on a wide variety of topics, as well as reviews of his work. Personal interviews conducted in the USA with members of Brooks family have also been included. A significant portion of the text is dedicated to detailed discussion of his recordings and analysis of his distinctive vocal style. The exhaustive discography compiled by Hans Maitner identifies over 660 known recordings by Brook Benton. In this, it far surpasses all others published to date, which generally account for only around 300. The book also contains many rare photographs made available to the authors by the late singers family. The entire work was authorised by Brooks widow, Mary, and daughter Vanessa, both of whom were keen to see it published.
