NeWest Press, Canada, 2009. Paperback. Condition: New. Language: English . Brand New Book. These are short stories about people who harbour relics from their past: a postcard from Vienna, the cigarette burns that scar a boy s chest, a stolen USB pen, blue concentration camp numbers tattooed on a forearm, a man s sense of his own body as his HIV overtakes him. Alice Zorn s remarkable debut collection displays these talismans of personal history and transforms them into extraordinary stories about relationships between partners, family, friends, and strangers.
