## AT HOME WITH SPANISH (7-9)

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, At Home with Spanish (7-9), Janet Irwin, At Home With Spanish is a fun activity workbook for children, aged 7-9 years, to do at home. Using different themes and a variety of tasks such as colouring, drawing, copying, and writing, children learn the Spanish words for greeting people, meeting friends, animals and birds, family members, parts of the body, and much more. The fun illustrations encourage development of language skills in an engaging and easy way. The 2-colour illustrated step-by-step activities are simple enough for children to work through on their own, or equally perfect to do together with an adult giving encouragement. Useful tips support adults so that they can encourage learning gently - plus there are more than enough funky stickers to reward your child as they complete each activity! This book is ideal to build early confidence in Spanish.
