## WORKING CLASS: CHALLENGING MYTHS ABOUT BLUE-COLLAR LABOR (HARDBACK)

Lynne Rienner Publishers Inc, United States, 2011. Hardback. Condition: New. Language: English . Brand New Book. Jeff Torlina challenges the conventional wisdom about the attitudes of blue-collar men toward their work. Torlina highlights the voices of pipe fitters, welders, carpenters, painters, locomotive assemblers, and factory workers to reveal the complexities-and advantages-of working-class life. These men see blue-collar labor as a desirable alternative to white-collar occupations; their work involves integrity, character, pride, and a connection with being a real man, values that they perceive as lost in white-collar office jobs. The result is a penetrating critique of many commonly held assumptions, and a compelling case for a new understanding of our social class system.
