Army scientists developed the Hoarfrost Virus - a pathogen capable of targeting specific genetic markers. A silicon-based substrate was used so no cure could be derived by examining the blood of the dead. Every precaution was taken during the research program except one and the virus got out. The world died. Knowledge of the modern world became folklore and myth. The people rebuilt with little knowledge of what came before. Artifacts of immense power filled the world if only one knew how to use them. Lazarus understood the power in the ancient devices. He gathered them to conquer the land.
