From bestselling author Kaitlyn Davis, writing as Kay Marie, comes a new adult romantic comedy about a girl who ll soon discover that some secrets can t be kept forever, especially those of the heart. My name is Skylar Quinn. I just moved to New York with my best friend Bridget, and I have a confession. Well, more than one. Okay, quite a few really. Fine, here goes! Confession #1: I m a sex columnist. Hold on, that s not really the confession. You see, I m sort of a virgin.sex columnist. Confession #2: I m kind of in love with Bridget s older brother, Oliver. No, I was. No, I am. Wait, was? Am? Crap. Confession #3: I ve been avoiding Oliver for four years. Or I was until today, because he just moved in. Yes, you read that correctly. He s my new roommate. So that night we ve both been pretending never happened, well, we might not be able to keep it a secret any longer. And trust me, this is only the beginning. This is a sweet romance, perfect for fans of Sophie Kinsella, Meg Cabot, and Emily Giffin!.
