

Dead Men Don't Lie (Paperback)

By Earl Jones Esq

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Dr Gregg Wentworth (illustrator). Language: English . Brand New Book ***** Print on Demand *****. Earl Jones, the author of the Luke Parker mystery series, is a retired Army NCO who became a criminal defense attorney upon retirement from the military. These stories, while fictional, are based heavily on actual events. After studying and practicing law for over a decade, Mr. Jones became disillusioned with our criminal justice system. The character in these books, Luke Parker, is a fictional character based largely on the life of Earl Jones. Since many of the events herein are highly agitating and more than a little embroiled in ethical controversy, the author has decided to leave it up to the reader to decide which events are fact and which are fictional. If the reader has any questions they would like to have answered in these regards they may contact the author at:
