CROSSING OVER - THE BASICS OF EVOLUTION

HSRC Press, South Africa, 2006. Paperback. Book Condition: New. 280 x 210 mm. Language: N/A. Brand New Book. For thousands of years, people have asked the question How did the world begin? While many cultures and communities have a faith-based answer to this query, the theory of evolution supplies a science-based solution. The crossing over workbook for teachers is an illustrated, interactive publication designed to help educators deal with these changes in contemporary science education. Divided into two parts, the...
