Station Hill Press, United States, 2000. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This work takes the form of a conversation, an interview. An obsessive questioning back and forth builds up Blanchot's narrative, with its sense--shared with Kafka's famous doorkeeper parable--that behind each question lies the spooky possibility of a further, more imposing, more insoluble question. Thematically, powerlessness, inertia, insufficient speech, weariness, falling, faltering--everything tied to a negative or nonexistent value in ordinary discourse--is given value here by its being articulated, moved into writing and thought. What's insignificant or worthless gathers weight through its troubling persistence, its failure to disappear. The endless conversation of Blanchot's writing turns fiction toward an experience of listening--a far cry from the storytelling most fiction (still) takes itself to be.
