## OECD Reviews of Labour Market and Social Policies OECD Reviews of Labour Market and Social Policies: Slovenia 2009

By OECD Organisation for Economic Co-operation and Development

OECD Publishing. Paperback. Condition: New. This item is printed on demand. 152 pages. This report analyses the main challenges for labour market and social policies in Slovenia and considers the available policy options from the perspective of OECD countries experience. It finds that Slovenia has one of the most equal income distributions in the world and a tradition of social dialogue. However, its unemployment insurance and employment service system are not sufficient to deal effectively with the present economic crisis and the country is also faced with rapid population ageing and a low employment rate among 55-to-64 year olds. This report makes recommendations to deal with these issues. Table of Content : Acronyms Assessment and Recommendations Chapter 1. Strong Growth but an Ageing Workforce-1.
