Biblical Greek Exegesis presents a proven, highly practical approach to the study of intermediate and advanced Greek grammar. Most textbooks focus on learning syntactical categories, illustrated by sentences taken from the Greek New Testament, and place little emphasis on how to apply Greek grammar to the Greek text in preparing sermons and lectures. In contrast, Biblical Greek Exegesis stresses 'real-life' application. Beginning with selections from the Greek New Testament, students learn intermediate and advanced Greek grammar inductively by analyzing the text. The process closely resembles the approach used in sermon and lecture preparation. In Part 1 (SYNTAX), students work through nine selections from the New Testament, taken from the Gospels, Paul's letters (including Romans), and the General Letters. The selections are arranged in order of increasing difficulty. The student becomes familiar with syntactical categories through translation, grammatical analysis, and grammatical diagramming, supplemented by class discussion. Equally important, the length of these selections allows for semantic diagramming and analysis. This provides a tool for analyzing larger units of meaning, which is not possible when working only with...
