HOUGHTON MIFFLIN, United States, 1998. Paperback. Book Condition: New. 202 x 138 mm. Language: English . Brand New Book. For most writers of research papers, proper style is MLA style - the system of documentation recommended by the Modern Language Association of America. This little book summarizes that system, showing how to cite sources with clarity, consistency, and scholarly authority. The book also includes a list of commonly used abbreviations; sample entries for various kinds of books, periodicals, and other media (including films, CD-ROMs, and online databases); and, most useful of all, a model research paper. The Essentials of MLA Style is an invaluable resource for any writer doing scholarly work in the humanities today.
