By Maritza Barton

SIMON SCHUSTER, United States, 1998. Paperback. Condition: New. Original ed.. Language: Spanish . Brand New Book ***** Print on Demand *****. Through her television and radio shows on health, her books -- including *Gotitas de Amor Para Mis Hijos* -- and many articles on family and child care, Maritza Barton has become one of the most trusted names in Spanish-speaking communities throughout the country. In this important new reference, she explains how to care for babies and how to heal their everyday problems naturally. *Cure A Su Nino Naturalmente* covers all the ailments that commonly afflict young children, including allergies, colitis, asthma, fever, and obesity. In addition to spelling out specific remedies, Barton provides a list of foods that will help keep kids in good health and describes how vitamins and minerals aid in children s development. Barton s easy-to-understand tips and her reassuring advice are complemented by a selection of suggested menus for healthful breakfasts, lunches, and dinners that is sure to be appreciated by busy parents.

Reviews

A whole new electronic book with a new point of view. It can be full of knowledge and wisdom Its been written in an exceedingly simple way which is only following i finished reading through this pdf in which really modified me, modify the way in my opinion.

-- *Arianna Nikolaus*

This ebook is wonderful. I have got go through and so i am certain that i am going to likely to read through once again again later on. You will like the way the article writer compose this ebook.
