

Boxing's Ten Commandments: Essential Training for the Sweet Science (Paperback)

By Alan Lachica, Doug Werner

Tracks Publishing, U.S., United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. This boxing handbook provides up-to-date, in-depth coaching for serious contenders. Weaving fundamental skills into a progression of drills that hone technique in increasingly complex, demanding, and realistic fighting situations, the handbook aids fighters in developing the reflexes of a complete boxer and teaches them to move from a process-and-react mentality to one of seeing-and-reacting. Hundreds of sequential images illustrate vital steps in the progression from proper stance, effective footwork, and range to defense and counters, the importance of angles, and creating winning strategies.
