These young teachers are the hope of higher education in China. but also to improve the quality of higher education in China the key. However. for these promising young people. the rapid development of the Chinese society is full of all kinds of temptations. they have not experienced education fun and happiness of the teachers. these temptations competing for their attention. dispersed with their energy. Therefore. how to maintain interest in the teaching of these young people. to protect their health to grow as the backbone of the backbone of higher education and grow as a model for the young students. and take on the burden to protect the quality of education. and leadership education administrative departments. colleges and universities. and our youth teachers must be of great concern. To solve this problem. the Ministry of National Education has issued a series of pre-service training of young teachers in colleges provisions. Liaoning Provincial Department of Education in the implementation process has also made many successful experiences. The directory Lecture teacher in an institution of higher learning and professional ethics. the teacher profession and its significance. teachers' professional ethics and its significance. the basic law of the formation and development of the individual professional ethics...
