When Men Dance: Choreographing Masculinities Across Borders

By -

Oxford University Press. Paperback. Book Condition: New. Paperback. 432 pages. Dimensions: 9.2in. x 6.0in. x 1.1in. While dance has always been as demanding as contact sports, intuitive boundaries distinguish the two forms of performance for men. Dance is often regarded as a feminine activity, and men who dance are frequently stereotyped as suspect, gay, or somehow unnatural. But what really happens when men dance? When Men Dance offers a progressive vision that boldly articulates double-standards in gender construction within dance and brings hidden histories to light in a globalized debate. A first of its kind, this trenchant look at the stereotypes and realities of male dancing brings together contributions from leading and rising scholars of dance from around the world to explore what happens when men dance. The dancing male body emerges in its many contexts, from the ballet, modern, and popular dance worlds to stages in Georgian and Victorian England, Weimar Germany, India and the Middle East. The men who dance and those who analyze them tell stories that will be both familiar and surprising for insiders and outsiders alike. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

Thorough manual for ebook fans. it had been writtern quite properly and valuable. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Dr. Catherine Wehner

Absolutely among the best book I have possibly go through. I have go through and that i am certain that i am going to gonna read through once again again in the future. I am just delighted to tell you that this is basically the finest book i have got go through within my personal existence and could be he finest book for ever.
