Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Radical s Progress: A Record of Courage [The narrative which follows is made up of letters written by an officer of the British merchant marine to an American friend in close sympathy with the creed they formulate. These letters cover a correspondence of many years, the earlier dating from the South African War, where the writer distinguished himself by his courage in action, and some of the later from the Dardanelles campaign, which found him serving as chief officer of one of his Britannic Majesty s transports. The order in which the letters are printed has been designed by the person who received and arranged them to throw into relief the writer s Progressive views toward Socialism; but no liberties have been taken with the text. To an individualist, it is interesting to note that the degree of tense social control now exerted by the state in Great Britain may drive a Socialist into the kind of revolt usually associated with individualistic doctrine. We may add that the writer has been known to the editor of the Atlantic for many years through much correspondence and many talks. We can vouch for the genuineness of the letters. - The Editors.] About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
