

Aquarian Conspiracy: Personal and Social Transformation in Our Time (Paperback)

By Marilyn Ferguson

Penguin Putnam Inc, United States, 2009. Paperback. Condition: New. Revised ed.. Language: English . Brand New Book. Here is the human potential masterwork that defined the New Age. Called an exciting vision of the future (Cleveland Plain Dealer), a handbook of the New Age (USA Today), and a new charter of human possibility (Norman Cousins) upon its initial publication in 1980, The Aquarian Conspiracy is a breathtaking, compelling study of the changes in work, relationships, medicine, religion, education, and more that comprised the birth of the New Age movement. An influence on thinkers from Deepak Chopra to Al Gore, The Aquarian Conspiracy remains a thorough, detailed classic of contemporary thought--an impeccable document that traces one of the most powerful cultural movements of our age.

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

-- **Rene Olson**
