Pearson, United States, 2017. Book. Condition: New. 3rd. Language: English . Brand New Book. NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value; this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. For Books a la Carte editions that include MyLab(TM) or Mastering(TM), several versions may exist for each title -- including customized versions for individual schools -- and registrations are not transferable. In addition, you may need a Course ID, provided by your instructor, to register for and use MyLab or Mastering products. Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for Pearson s MyLab products may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. For courses in Precalculus This package includes MyLab Math. Ratti/McWaters/Skrzypek s Precalculus: A Unit Circle Approach with Integrated Review, Books a la Carte Edition can be used in co-requisite courses, or simply to help students who enter Precalculus without a full understanding of prerequisite skills and concepts. Integrated Review MyLab(TM) courses provide the full suite of supporting resources for the precalculus course, plus additional assignments and study aids from select intermediate algebra topics for students who will benefit from remediation. Assignments for the integrated review content are preassigned in MyLab, making it easier than ever to create your course. Providing the rigor of solid mathematics with an engaging and friendly approach As teachers, Ratti and McWaters saw firsthand where their Precalculus and Calculus students struggled, where they needed help making connections, and what material...
