

Tomorrow. A Plan for the British Future (Paperback)

By A. K. Chesterton

The A. K. Chesterton Trust, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This booklet was compiled from two leading articles in Candour in April 1961, and was reprinted in booklet format in May 1961. The Twelfth Hour contains a remarkably honest analysis of the weaknesses - as well as the strengths - of the Candour-League movement. Then as now, there was a desperate need for the majority of supporters to either become more active, or to provide the funds necessary for the survival of our movement and nation. Tomorrow is the plan on how Britain could adapt to the loss of Empire and rally around the white dominions. This idea, long dormant, and seemingly abandoned by today's establishment, has seen some interest in the media recently, and may come again should Britain escape the shackles of the European Union.
