Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. How do you express anger? Do you burst out on impulse? Or do you take a deep breath and make measured statements? Whichever approach you adopt, while it is acceptable to express words of anger, it s the motive that really matters. If you vent to transfer your inner feeling of envy, sadness, resentment, frustration, or stress, and thereby transfer your pains to another; that s selfish, negative, and destructive. On the other hand, if you vent to correct wrong-deeds; that s a positive and character-building approach to express anger. Making a philosophical view of anger, based on colours, someone said a person with lots anger inside definitely has lots of love inside too, and probably loves more than anyone can.
