

Beyond Humanity (Paperback)

By Christopher L Myers

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.What felt like only 24 hours ago, Ryan sat in school, attempting to ignore the tick of the clock and waiting for the end of his class. School was easy, compared to waking up on an alien world, alone and with no plan. Getting rushed through breakfast to make it to the bus was easy, compared to wandering through towering forests and avoiding strange and terrifying wildlife. A headache triggering bus ride to class was easy, considering the stress of shooting down from space, awake in a hibernation capsule. What choice was there, though? Take a chance with the impending anomaly as it screamed toward Earth, or place your fate in the hands of something else entirely and hope and want for something new, something dangerous and something amazing.
