Orion Publishing Co, United Kingdom, 2016. Hardback. Condition: New. Language: English . Brand New Book. From the international bestselling author of The Chronicles of Thomas Covenant comes an extensive and all original new fantasy novella. Augur s Gambit is a tight and action-filled novella of more than 40,000 words. A novella with all the rich word-building and acute characterisation that readers have come to expect from the man who re-invigorated the whole genre in the 1980s and went on to write one of Fantasy s landmark series. Revelling in the sense of freedom that comes from writing a new creation after the massive, controlled effort of the ten book epic of the Chronicles this is a novella that will both delight existing fans and win new readers for Donaldson s uniquely rich and intelligent fantasies.
