

## Watching Seeds Grow: A Guide to Entrepreneurship for Parents and Children (Paperback)

By Peter Greer

Createspace Independent Publishing Platform, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.On a trip to Rwanda, Keith (age 8) has his eyes opened to the stories of entrepreneurs. This started a family journey to identify and celebrate the simple power of entrepreneurship all around us. Our hope is that this book might help unlock our imagination of the possibility of creating and growing along with practical steps to unleash your young entrepreneur. Watching Seeds Grow is the best kind of parable: a true story, narrated by father and son, about the power of entrepreneurship. Chock-full of leadership lessons, parenting tips, and highly practical appendices, Watching Seeds Grow will serve young and old entrepreneurs alike, with refreshing insights about perseverance, creativity, and innovation that is essential to a flourishing society. - Josh Good, Manager of External Relations, American Enterprise Institute Watching Seeds Grow has been written in story form to teach us the simplicity of being an entrepreneur. Peter and his son Keith have illustrated a beautiful picture of the satisfaction of becoming a contributor to society rather than simply being a consumer. The power of teaching our children at a young age sets...

### Reviews

*It is an awesome publication which i actually have ever read through. it had been writtern really properly and valuable. I found out this book from my i and dad recommended this pdf to discover.*

-- Doyle Schmeler

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- Brennan Koelpin
