The days of passively sitting in a classroom are long gone. Instead you want to be involved in the classroom, interact with your classmates, as well as talk about topics that help you to develop, not only in the English language, but also on a personal level. One of the best ways to do that is by creating truly personalized English classes. For that reason we have created the Creative English Advanced workbooks. Creative English Advanced is a truly personalized and conversational way to take that next step, by focusing on the student, and involving the student. Each workbook can be used for 12 focus topics (to be chosen by the student) that connect to the English student.
