Brand New Book ***** Print on Demand *****.Jaleh Borden, a former Muslim born and raised in Persia [Iran] where the God she prayed to was dead. She suffered the extreme pain and loss of her family, her country, and everything she knew, she became suicidal. Sagemont Church in Houston, Texas brought the message of hope and peace. She was radically saved and became a missionary to introduce the love of her life, Jesus Christ, the one who has the power to heal the world. The Lord began revealing shocking things to her about the future of America, the country that she passionately loves. The Lord revealed to her that our economy will be devastated, the Statue of Liberty (the symbol of our freedom) will be removed, the protective covering of the White House collapses, the American flag will be gone, and the Constitution will be replaced with Sharia Law. The Lord told her that He had given America into the hands of the Muslims, just as He had done with the Jewish people who had turned away from Him in times past. Her husband, Don Borden, a successful businessman, suffered financial ruin after 9/11 and became angry at God. As she prayed for restoration of the business, the Lord told her instead to pray for his soul. She began to intercede for her husband and the Lord soon began to speak many things to him and birthed in Don a new man named Tho He Knows. He was called by God to warn His people about the Tribulation, the Rapture of the Church, and the soon return of our Lord, Jesus Christ. This book is a must read for those studying the end times.
