

Heaven Closing in (Paperback)

By Joshua Friedman

Christian Faith Publishing, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Heaven Closing In is a book of poetry birthed from a life radically transformed by encountering God. It s both a story of redemption and a story of exploration, that is, an exploration of who God is, and what it means to be His. This book comes from a history of a real relationship and all that comes with it, from grueling heart cries of repentance and yearning to bold declarations of praise and strength, from psalms of peace, awe and wonder, to intense expressions of pure, overwhelming power and love. It s meant to introduce those in darkness to God s light, to show the hopeless the God of Hope, to give the weak strength, to give the heavy-burdened peace, and to open hearts to receive God s love. Psalm 34:8 says O taste and see that the LORD is good. Heaven closing In is meant to give the reader a taste of His goodness, and the riches of a new life in Him. So, come, taste and see!.
