Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Kiss the Girl and Other Poems is a diverse collection of contemporary poetry that will, hopefully, make you laugh, contemplate and perhaps even shed an empathic tear. Ranging in scope from amusing, rhyming anecdotes gleaned from the author s personal life-experiences such as The Note and Pet Shop, through to the more serious subjects of love, loss and war, this humble creation provides something for everyone. Ms Hunter s debut volume also includes several of the author s poems written in her native Scottish dialect. So, if you ve ever wanted to know what a baffie or a skelp is, the Broad Scots Glossary at the end of the book is included just for you. Having tentatively tested the water on the internet and, after receiving many favourable comments, the author decided to unleash these poetic reflections about life on the unsuspecting public in Tasmania, Australia and beyond. A book that has something in it that will appeal to people of all ages.
