

The Pocket Samurai (Paperback)

By William Scott Wilson

Shambhala Publications Inc, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book. Selected writings from the most influential texts of the samurai era--in a pocket-size edition. The samurai of Japan, who were the country's military elite from medieval times to the end of the nineteenth century, were synonymous with valor, honor, and martial arts prowess. Their strict adherence to the code of bushido (the way of the warrior), chivalry, and honor in fighting to the death continues to capture the imagination of people today, inspiring authors, filmmakers, and artists. The Pocket Samurai contains the essential writings of the era by the most esteemed samurai and philosophers of the age, including the iconic Miyamoto Musashi, author of The Book of Five Rings; Yamamoto Tsunetomo, author of Hagakure, the best-known explication of the samurai code; Takuan Soho, the Zen priest and adviser to samurai; Yagyū Munenori, whose The Life-Giving Sword describes a deeply spiritual approach to sword fighting; and others.
