THE OCEAN AS BRICKMAKER. The evening being wet and cloudy, the ladies petitioned that Charles might remain at home, and having readily complied with their request, he announced, amid the derisive laughter of Kate and Lucy, that he should say a little on that beautiful aspect of the ocean--its acting as a Brickmaker. Kate. Oh! extremely beautiful! Lucy. Remarkably clean! Louisa. Interesting to ladies--very! Char. Thank you, ladies. If I were called upon to say in what part of this earth's solid substance there was shown the most profound design and foresight, I should at once say. it was exhibited in the universal deposit of clay almost all over the world. Kate. My dear fellow, you know we could have lived in tents, or log-houses. Lucy. Or built houses with stone. Char. Ah! you could have done so; but what...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.
