Drawn and Quarterly, Canada, 2016. Hardback. Condition: New. Language: English . Brand New Book. When you live in an ornamented world where your home is a museum of 1940s design, you don t leave the house without a hat and tie, and your wife owns a barber shop which you designed it s hard to imagine letting a documentary about you go to press with- out constructing an exquisite package for it. In Seth s Dominion, the National Film Board documentary by filmmaker Luc Chamberland about the acclaimed Canadian cartoonist, Seth has done just that. Presented here as an innovative double-spined hardcover that opens in two directions, one side opens with a photo essay narrating Seth s life while the other offers a generous sampling of Seth s art: comics and sketchbook pages, but also puppetry and New Yorker illustrations. Seth also speaks to the experience of making the documentary through a comics diary, constructed from rubber stamp images. Between these two halves lies Seth s Dominion, a masterly portrait that mixes insightful biography with vivid animation in an artful fusion of filmmaking techniques that perfectly captures Seth s manifold creative universe. From his melancholy reflections on childhood to his descriptions of his creative habits, Seth narrates his own life story enchantingly. With special features including two short animations and a taping of Seth speaking at the Drawn and Quarterly bookstore, Seth s Dominion is a triumph.
