Its all about The Sexes and how to negotiate the new equations society demands in a rapidly changing, super charged gender confrontation that is throwing up fresh challenges nobody has any real answers to. but which involve us all. Shobhaa De presents a thought provoking anthology of her feminist writings. She bravely goes into sensitive terrain, raising important questions about our emotional complexities when it comes to issues that concern sexual politics in todays India. De covers it all, as she dexterously gets into the minds of contemporary Indians and candidly exposes familiar hypocrisies and hang ups. From tricky marital issues that most are scared to admit to our moral double standards while judging movie stars, politicians, Godmen and assorted celebrities. Unabashedly she debunks the use of nauseatingly old-fashioned terms like keep by an erudite judge, which in turn elicits a quick reaction from legal luminaries.
