COMPASSIONATE ESCHATOLOGY (PAPERBACK)

Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Do eschatology and peace go together? Is eschatology mostly about retribution and fear--or compassion and hope? Compassionate Eschatology brings together a group of international scholars representing a wide range of Christian traditions to address these questions. Together they make the case that Christianity's teaching about the end times should and can center on Jesus's message of peace and reconciliation. Offering a peace-oriented reading of the Book of Revelation and other biblical materials relevant to Christian eschatology, this book breaks new ground in its consistent message that compassion not retribution stands at the heart of the doctrine of the last things. Besides its creative treatment of biblical materials, Compassionate Eschatology also makes a distinctive contribution in how several essays engage the thought of Rene Girard and his mimetic theory. Girard's project is shown to reinforce the biblical message of eschatological peace. Endorsements: Compassionate Eschatology is an extraordinary book that reveals the biblical teaching of the non-violent, peace-filled, non-judgmental, and ecological end of the world. Influenced by the thought of Rene Girard, the authors chorus: in the midst of the dragon and beasts, the lamb of God will prevail over their vicious power of exploitation, disruption, vengeance, violence, and destruction with the incessant love of God. This eschatology does not deny all human efforts in history, but fulfills them with God's grace and compassion. Reading this book uplifts me to face today's challenges with tomorrow's strength. This hope-filled book is a must read for all pastors and lay people. -Andrew Sung Park Professor of Theology and Ethics United Theological Seminary, Dayton OH A fascinating, stimulating collection from a diverse group of scholars, filled with exciting insights....
