

Redefining Christian Britain: Post 1945 Perspectives

By -

SCM PRESS, United Kingdom, 2011. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. Redefining Christian Britain brings together distinguished writers from a number of fields - history, sociology, theology - to reassess the role of Christianity in Britain. This is an area that has been of increasing public debate and interest in recent years, but the debate has followed rather predictable grooves. This book seeks to do something different, by looking at the impact of Christianity over a wide range of areas of national life - religion and the media, religious art, religion in literature, religion in schools, religion and economics and so on. The book has been born out of a frustration at existing writing on religious change in Britain, which has tended to over-concentrate on church attendance figures, rather than look at the more diffuse and dynamic influence of religion on public and private life. Redefining Christian Britain will open up new areas of inquiry including religious architecture, church music, debates on sexuality and women's ordination, public rituals like royal weddings, the sacred memory of World War II, multicultural education, and the role of Christian narrative...

Reviews

Complete guideline! Its this type of great read through. it absolutely was writtern quite perfectly and helpful. I am very happy to explain how this is basically the best book i actually have read through during my personal life and can be he very best book for at any time.

-- **Joshua Gerhold PhD**

A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.
