Pegasus Elliot MacKenzie Publishers, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A sleepy Yorkshire village, a lonely moorland road, a horrifying discovery. Into this, Michael Sutton introduces Inspector Cowley from Yorkshire CID. He takes up the trail from an abandoned body to Wood End, a typical rural community whose characters - homely or wholesome, secretive or self-opinionated - he must interview, sending him from the Dog and Gun to the stolen-car racketeers in the backstreets of York, and from St Dominic s church to the seedy sex scene of Amsterdam s red-light district. When Sonia Jones is murdered on a North Yorkshire moor, all eyes turn to her cuckolded boyfriend, Bruce Williams. He has a motive to kill, but wasn t the more obvious target the fellow student he caught in bed with her? Other fingers point to Martin Blake, particularly when DNA tests identify Sonia s blood on his golf club. Yet, thanks to Polly Parker living up to her nosy surname, Martin has an alibi. Only one thing is for sure: a murderer is on the loose.
