## PATRIOTIC LIES

Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Chris D Angelo fought as a front-line soldier during the Iraq and Afghanistan conflicts. Later, as a counter-intelligence agent, he learned to operate beyond the conventions of governmental or moral laws. But after vowing never to work for a government agency again, he is lured back into the realm of espionage, disinformation, and national security Inspired by actual events, Patriotic Lies tells the tale of a man piercing the veil of a frightening and obscured reality of corruption and deceit. This is not a story about religious extremists, but exposes a different kind of terrorist that is much darker and enigmatic: a commission of the elite, the oligarchs, and the truly Machiavellian. Wracked with self-hatred, defeat, and world-damning premonitions, D Angelo fades back into a nightmare he only recently escaped. The ensuing chaos tarnishes his entire existence, and the line between his personal and professional identities begins to blur. Evil starts to look like necessary when one must steal, manipulate, and murder to protect one s country. But more grievous is what happens when that necessity threatens the sanctity of his loved ones. Driven by passion and vengeance and trained in a world of lawlessness, D Angelo can no longer stop until he reaches the end of the line or is taken out in the process. His quest for the disturbing truth puts him face to face with every major security agency of the U.S. government, and what he discovers turns out to be so horribly gut-wrenching, as to make one man s fearlessness and rage unparalleled to the underlining truth.
