The location, off the Atlantic coast and typically warm, and the quirky characters that keep showing up really help to make this a delightful and entertaining read. - BookLikes Plenty of twists, turns and surprises that will keep readers guessing to the end.I would always recommend that readers start with the first book in a series, but if you must jump in at book number three, there should be no trouble following along. This is a great choice for fans of cozy mysteries and humorous mysteries. - Lorelee Peterson, Librarian EXIT STAGE LEFT. It's Opening Night at the Ballantyne Foundation s...
