But these stakes are just too high there's no way he's prepared to become a legal guardian to his five year-old niece. His only option is to head from Las Vegas to Last Chance to sort things out as quickly as possible. Problem is, he arrives to find an inconsolable little girl, her sick cat and a gorgeous vegetarian he can't get out of his mind. Charlene Polk has two talents: healing sick critters and falling in love with the wrong men. Mike has trouble written all over him, but she can't leave him in the lurch. And the more time she spends with the sexy high roller, the more she sees that this ready-made family is the best stroke of luck they've ever had.

Reviews

This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that i am sure that i will gonna read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
